

Porta Products Community Complaints Register – February 2026

Complaint No	Category	Date	Property	Detail	Follow Up Actions
143	Dust/Fibre	5.2.2026	Tasman Street	Dust/Debris on car	Ongoing complaint from resident. Met with EPA at the residents house. Neither EPA or Porta Environmental and Safety Manager could confirm whether material was directly as a result of Porta facility. No other vehicles, houses or structures had any fibrous material on them in the surrounding streets. Plant operating conditions all as normal and no exceedances of EPA Licensed emissions guidelines.
